Hello All,

We had our annual PTRC Christmas party on December 13, 2014. It was the largest turnout we've had for a Christmas party. The food was awesome and the company was great. A good time was had by all. It was nice to see such a great group enjoy the club. Ed Hurst played some tunes for our enjoyment and food was a joint effort from the club and all who attended. On December 6th we had a party for our children and grandchildren. Each child was given a bag of goodies and Adam Mihalik provided a picture of each child with Santa. There was not much snow on our grounds so Santa had to land in near by Meco. The Meco Fire Department helped Santa by giving him a ride to our club. We appreciate them for their help.

The club has had a great year, this year we have hit about 931 members! I want to thank the great board of directors and volunteers that ran some much needed projects that made our club better this year. Our bar got new tables, chairs, and bar stools, new carpet in the upstairs meeting room, new lighting and wiring in the downstairs range as well as the hall, parking lot has been sealed and lined, the floor in the hall was refinished, the range is a work in progress.

We served almost 1400 dinners this year and held our first IBC match since the 70's. The .22 rimfire league continues to grow and had a record 50 shooters most of the time. We will focus on the range projects this year, make the downstairs range usable to shoot jacketed bullets and put something on the ceiling to be able to use the hall when shooting. We have other plans already in progress to make an outside pistol range and increase the rifle range. Other projects will be beautifying the outside of the skeet house. We have already moved forward in keeping that area cleaned up. We will become better! PTRC has already become a club known all over NYS. There is a lot of pride from our members, that's why we are strong. We will continue to fight for our constitutional rights.

We say goodbye to 3 board members, John Delsavio, Paul Adamkoski, and Nick Valachovic. They all worked hard to make our club better and are much appreciated. John will stay on as Club Historian, and Paul will chair our Political Action Committee. The new members are Mike Kowalski, Ken Benton, and Bob Johnson. We look forward to working with you all.

Peter Tautznik will head up all education programs. We now have several NRA certified instructors. Peter will head up the team over seeing all education programs and making sure all forms are sent in. Alvie Gallt will remain in charge of the "house" as well as the kitchen. Bob Johnson will be responsible for the Forestry Plan as well as the Conservation Plan. Ken will be in charge of the rimfire league, as well as range development with Mike who will be taking on 3D and pistol, in and outside range development. He will also be in charge of anything outside of the house.

Dates to remember January 14th is our club members meeting @ 7:00PM, January 21 is club night supper, roast pork @ 6:30PM, and on January 28th is the annual Club Chili contest. If you bring chili there is no charge, if you are just going to sample the cost is \$3.00. All money collected goes to the prize money. The big winner gets his or her name on the plaque over the bar. Who will win this year?

Have a great 2015. Paul's contact information tel (518)762-2921 email [www.paul.catucci@gmail.com](mailto:www.paul.catucci@gmail.com).

Paul
