

American Rimfire Association & USRA-IR 50/50 @ Pine Tree Rifle Club 2015

Welcome to PTRC's Home Site for ARA and IR 50/50 benchrest shooting competition. We are providing an introductory program this season (2015) in the form of monthly, modified, club matches to help identify the level of interest that exists in high level rimfire benchrest shooting competition. The format of these events somewhat parallel the centerfire competitions we host in International Benchrest Shooting (IBS).

Our present PTRC Rimfire League boasts many terrific Marksmen and Markswomen that would truly benefit from competing in these events. If there proves to be enough interest this year, we plan to pursue sanctioning by both the American Rimfire Association (ARA) and the United States Rimfire Association (USRA-IR 50/50) for 2016 to host official competitions. This would eliminate the need to travel as much to other clubs to compete as well as introduce and welcome members from other clubs to the Pine Tree Rifle Club.

Based on the fact that we are running club matches this season, we have the opportunity to modify the rules. For a complete list of official rules go to;

PTRC Modified RULES for 2015

Modified RULES for 2015 are designed to introduce and to provide an easy transition for PTRC members into other brands of rimfire competition using highly competitive targets. The basic rules of safety protocol, equipment usage, and range commands are similar to our Rimfire League RULES with a few exceptions as is listed below. Please read.

1. Eye wear (glasses) and ear protection (plugs) must be worn.
2. Only bolt action rifles will be permitted this season.
3. All bolts must be pulled from their actions between relays and only inserted when directed to do so by the Range Master.
4. There will be two Divisions this season; Sporter Class and Unlimited Class.
5. Sporter ARA and Sporter IR 50/50 firearms are equivalent to the bolt action rifles you use in our Rimfire League Sporter Class and Master Sporter Class.
6. Unlimited ARA and Unlimited IR 50/50 firearms are equivalent to the bolt action rifles you use in our Rimfire League Target Class and Master Target Class.
7. There are no scope magnification restrictions in either Division.
8. Both one-piece and two-piece rests may be used in either Division.
9. Benches 5-14 will be utilized unless more are necessary due to numbers.
10. Benches will be drawn upon arrival on a first come basis.
11. Scoring will be separate for each Target in each Division.
12. The Maximum Score for an ARA Target using Worst Edge scoring is 2500.
13. The Maximum Score of an IR 50/50 Target using Best Edge scoring is 250.
14. Competitors will be responsible for posting, retrieving, and submitting

their own targets.

- 15. Shooters will have 25 minutes to complete 25 bulls plus sighters at 50 yards for each of their two targets.**
- 16. Targets will cost \$.50 each. There is no registration fee.**
- 17. Targets will be scored and posted on the PTRC ARA-IR 50/50 Website. Actual targets will be returned at the following Monday's Rimfire League match. Targets can be viewed and Protested then.**
- 18. Shooters may select any relay to complete a score target, however, they must complete both score targets. Don't be late!!**
- 19. If time permits, shooters may utilize a relay for practice on a practice target.**
- 20. Contact Ken Benton if you have any questions.**
