RELOADING SEMINAR

Basic Loading of Metallic Rifle & Handgun Cartridges

The Pine Tree Rifle Club will offer a Reloading Seminar March of 2014. This is a basic study of how to safely load/reload metallic rifle and handgun cartridges.

The seminar is designed for the beginner who wish to get off on the right foot safely, and have a basic knowledge of assembling quality ammunition, as well as what they will need to purchase to do so. Even if you have been loading for a while I'm sure that you will find the seminar informative and interesting.

The seminars will be held March 4th, 11th, 18th, and 25th at the PTRC, and will start at 7: PM sharp. There will be a \$20.00 fee due at registration on the 4th for PTRC Members and \$25.00 for non-members, so you will need to be at the club a little early to sign in for the seminar. The seminar will be limited to 25 students. PTRC Member get first preference. If there are opening they will be available to non-members of the PTRC.

To register for the seminar you can do so by email stating your name, phone number and email address to jads@citlink.net. February 21st is the cutoff date for seminar registration. Walk-ins will not be accepted.

For more information you may contact John Del Savio at jads@citlink.net
